

**HAPPY
EASTER**

200 DKK

This significant donation has been made on your behalf.

Ovarian cancer can affect all women, and it is the most deadly gynecological cancer.

OvaCure is a small non-profit organization with the crucial purpose of changing the future for women with ovarian cancer.

OvaCure works every day to initiate and support innovative research in the field.

The above donation goes uncut to scientific research and directly helps to make the future brighter for the affected women and their families.
